

Registered Local Lead Inspectors

To meet the requirements of the City of Toledo Lead Ordinance, a property owner may contact a Registered Local Lead Inspector to inspect their property if it was constructed prior to 1978 and obtain their Lead-Safe Report. The Lead-Safe Report is then turned it to the Toledo-Lucas County Health Department with application and a \$45.00 filing fee to obtain a Lead-Safe Certificate.

Below is a current list of Licensed Lead Inspectors who have registered and been approved by TLCHD. Please refer to our [Frequently Asked Questions](#) or contact us at (419) 213-4100, option 3 for more details regarding the City of Toledo Lead Ordinance.
