Please protect your health and others by exchanging your used syringes at the following locations **only**:

St. Paul’s United Methodist Church  
1201 Madison Avenue, Toledo OH  
Tuesdays: 1 pm – 4 pm

Talbot Center (East Toledo)  
732 Main Street, Toledo OH – Door B  
Thursdays: 1 pm – 4 pm

**\*No exchanges at either site on:**  
Mondays, Wednesdays, Fridays, Saturdays, Sundays,  
or county holidays

## *Northwest Ohio Syringe Services (NOSS)*

This is a Harm Reduction Program promoting public health and safety through non-judgmental syringe exchange services. We offer People Who Inject Drugs (PWID) the opportunity to safely dispose of used needles, syringes, and other works to reduce the transmission of infectious disease.

**Services Available:**

- 1-1 syringe exchange
- HIV/HEP C testing
- Safer sex education
- Free condoms
- Naloxone training and kits
- Referrals for additional medical and behavioral health needs
