Lucas County COVID-19 Update

The Lucas County COVID-19 numbers for today, are as follows:

- 2556 total cases
  - 2357 confirmed cases
  - 199 probable cases
- 284 deaths
  - 246 confirmed deaths
  - 38 probable deaths
- 1034 male cases
- 1522 female cases
  - Ages range from <1 to 109
- 25,485 total tests performed**

  **Includes all (resident & non-resident) COVID-19 viral nasal swab tests performed in Lucas County (hospital & community testing sites). This number does not include Lucas County residents tested in other jurisdictions.

The Health Department recommends residents continue preventive measures to slow the spread of COVID-19 through:

- Wearing a mask or face covering around others and in public (if possible)
- Social distance, 6-feet apart
- Washing hands frequently
- Stay home when sick

To report concerns, such as businesses not adhering to sector specific operating requirements/guidelines, including appropriate social distancing and/or employees wearing face coverings, please call 419-213-4161, option 4, to leave a message.
